

FINANCIAL IMPACT ASSESSMENT CLOUDAXIS INCIDENT

Reference: FIA-TV-2026-05-01

Prepared by: TechVenture Finance and Operations

Date: May 1, 2026

Purpose

This assessment documents the quantifiable direct costs incurred by TechVenture as a result of the CloudAxis platform outage and data loss of April 26-28, 2026.

Direct Internal Costs

Payroll team emergency re-entry and reconciliation work:

- 14 hours senior payroll specialist at 120 TND/hour = 1,680 TND
- 8 hours junior payroll coordinator at 75 TND/hour = 600 TND
- Subtotal payroll recovery: 2,280 TND

Finance team unrecoverable posting reconstruction:

- 6 hours senior financial controller at 140 TND/hour = 840 TND
- 4 hours financial analyst at 95 TND/hour = 380 TND
- Subtotal finance recovery: 1,220 TND

Customer operations reconciliation:

- 847 transaction records at estimated 12 minutes per record
- 3 operations staff at 85 TND/hour = 8,470 TND estimated
- Subtotal customer operations: 8,470 TND

IT emergency response and overtime:

- 31 hours IT team at blended rate of 110 TND/hour = 3,410 TND
- External IT consultant emergency call: 4,800 TND
- Subtotal IT response: 8,210 TND

Legal and compliance review:

- 6 hours in-house counsel at 180 TND/hour = 1,080 TND
- External legal review estimated: 6,000 TND
- Subtotal legal: 7,080 TND

Total Direct Internal Costs to Date: 27,260 TND

Disputed Invoice Items

- April subscription invoice: 34,500 TND base
- TechVenture position: April subscription should be reduced by at least 30% given the severity and duration of the SLA breach (estimated credit: 10,350 TND)
- CloudAxis counter-proposal credit: 5,175 TND (15%)
- Difference: 5,175 TND remains disputed

Potential Future Costs

- Regulatory filing costs (data protection assessment): estimated 3,500-8,000 TND
- Possible external audit of CloudAxis security controls: estimated 15,000 TND
- Customer compensation claims for delayed orders: not yet quantified
- Reputational harm and lost business: not yet quantified

Summary

Confirmed direct costs: 27,260 TND

Disputed invoice credit balance: minimum 5,175 TND additional due to TechVenture

Total minimum financial exposure for CloudAxis: 32,435 TND

Maximum exposure if regulatory and customer claims crystallize: unclear
