

WITHOUT PREJUDICE SETTLEMENT TERM SHEET

Reference: WPTS-TV-2026-05-04

Date: May 4, 2026

Prepared by: TechVenture Legal for internal review

Status: DRAFT not yet sent to CloudAxis

Context

This term sheet sets out TechVenture's proposed minimum resolution framework to be presented at the May 9, 2026 executive call. It is prepared on a without-prejudice basis and reflects the minimum terms TechVenture would accept to avoid escalation to mediation and arbitration.

Proposed Resolution Terms

Financial Terms

- 1) CloudAxis to provide full credit for April subscription: 34,500 TND
- 2) CloudAxis to pay TechVenture's confirmed direct costs: 27,260 TND
- 3) CloudAxis to waive May overuse compute charges: estimated 2,100 TND
- 4) CloudAxis to provide complimentary professional services for data reconciliation: 10 days at no charge (estimated value 8,500 TND)

Total financial resolution: minimum 63,760 TND equivalent

Operational Terms

- 5) CloudAxis to renew and provide ISO 27001 certificate within 21 days
- 6) CloudAxis to provide updated and tested disaster recovery plan within 30 days
- 7) CloudAxis to implement advance 5-day written notice for all future migrations
- 8) CloudAxis to provide TechVenture read-only access to its incident management portal for 12 months

Contractual Protections

- 9) Contract extension at current pricing for 18 months (TechVenture option)
- 10) Enhanced SLA credit schedule: P1 breaches trigger 25% of monthly fee credit
- 11) Immediate termination right if data loss above 2 hours RPO occurs again
- 12) Mutual preservation of data breach regulatory defense coordination

Acceptance Deadline

TechVenture requires CloudAxis acceptance in writing by May 20, 2026.

If not accepted by May 20, TechVenture will proceed to arbitration.

This document is prepared without prejudice and does not constitute an admission of any limitation on TechVenture's rights or remedies.
