

CLIENT CALL TRANSCRIPT SUMMARY

Call date: April 5, 2026

Participants: Atlas CEO, Atlas Legal, Nova Director, Nova Operations Lead

Summary of Positions

- Atlas requests immediate KPI stabilization and invoice correction.
- Nova disputes material breach label and asks for exclusion adjustments.
- Both parties agree to exchange raw delivery logs by April 8.

Action Items

- 1) Nova to submit corrected route-level KPI methodology note
- 2) Atlas to provide complaint cohort analysis and churn estimates
- 3) Joint reconciliation workshop scheduled for April 9, 10:00 AM

Potential Settlement Signals

- Openness to temporary rebates and credit notes
- Agreement in principle on intensified weekly governance cadence

Open Risks

- Disagreement over force-majeure treatment remains unresolved
- Evidence quality on invoice support files still incomplete
